2023 International Early Years Catalogue

Welcome to our international early years catalogue for 2023. Inside you will find a wide range of resources to support the early years stage covering a variety of popular curriculums packed full of fun and inspiring ideas for teachers and pupils. We have some fantastic new publishing to show you, so here is a little sneak peek of what's to come throughout the catalogue.

Collins International Foundation and Foundation Plus – for English, maths and science – offer a two-year pathway to a child's first year of formal teaching at primary school. Developed by experts to be easy to use in the classroom, these materials support young children following a range of early years curricula and provide activity-based learning to ensure pupils are fully engaged with living their learning.

Deliver a consistent and highly effective approach to teaching phonics in the classroom with the Little Wandle for Letters and Sounds Revised Systematic Synthetic Phonics programme. Validated by the UK's Department for Education and tried and trusted by over 4,000 UK schools, our Collins Big Cat scheme provides phonics readers and classroom resources to support your phonics learning journey.

We also have a range of other supportive resources to prepare pupils for primary school, including activity books for learning fine motor skills and basic numeracy, a vast range of music titles and even more literacy support.

If you have any questions, please don't hesitate to get in touch. Our contact details are on the back page, or if you are not sure who to contact then email collins.international@harpercollins.co.uk and one of us will get back to you as soon as we can.

Best wishes,

Charlene Cawte

Collins International Foundation and Foundation Plus

Authors: Peter Clarke, Arabella Koopman & Fiona MacGregor

Provide a firm foundation at early year stage in English, maths and science in preparation for primary education

Collins International Foundation and Foundation Plus is an early years programme for English, maths and science that can be used across two years leading up to the first year of full primary education.

The programme introduces young children to phonics and early literacy skills, maths concepts and skills and science content in an age-appropriate way through topic-based discovery and activity-based learning. It provides plenty of learning opportunities through games, active play and hands-on exploration.

Careful progression ensures children develop the skills they need to be ready for English, maths and science in their first year of primary. The materials in Foundation Plus build on what is covered in Foundation to ensure that all students will be fully prepared for the learning ahead no matter which programme or curriculum their school is following.

The underlying themes – common across English, maths and science – allow the courses to be used together so that children build on knowledge, skills and vocabulary holistically. It can also be used alongside other courses to provide a comprehensive early years programme.

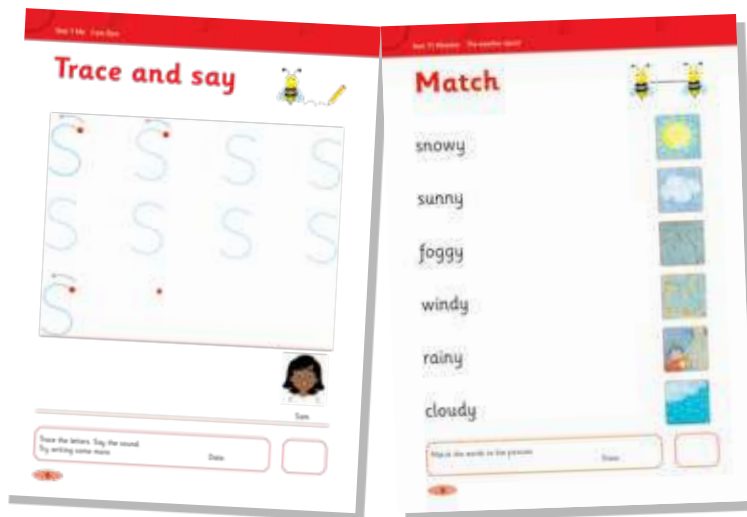

Developed in consultation with expert practitioners, the courses benefit from current thinking and best practice in early years education and have been informed by a wide range of curricula and frameworks used in international schools.

Each level comprises one Activity Book per term, supported by a Reading Anthology (one per term for English, one per level for Maths and Science) and a Teacher's Guide.

Activity Books

Full-colour Activity Books provide age-appropriate and fun practice of core skills, allowing teachers to see and record progress, as well as show parents the child's progress in class.

Reading Anthologies

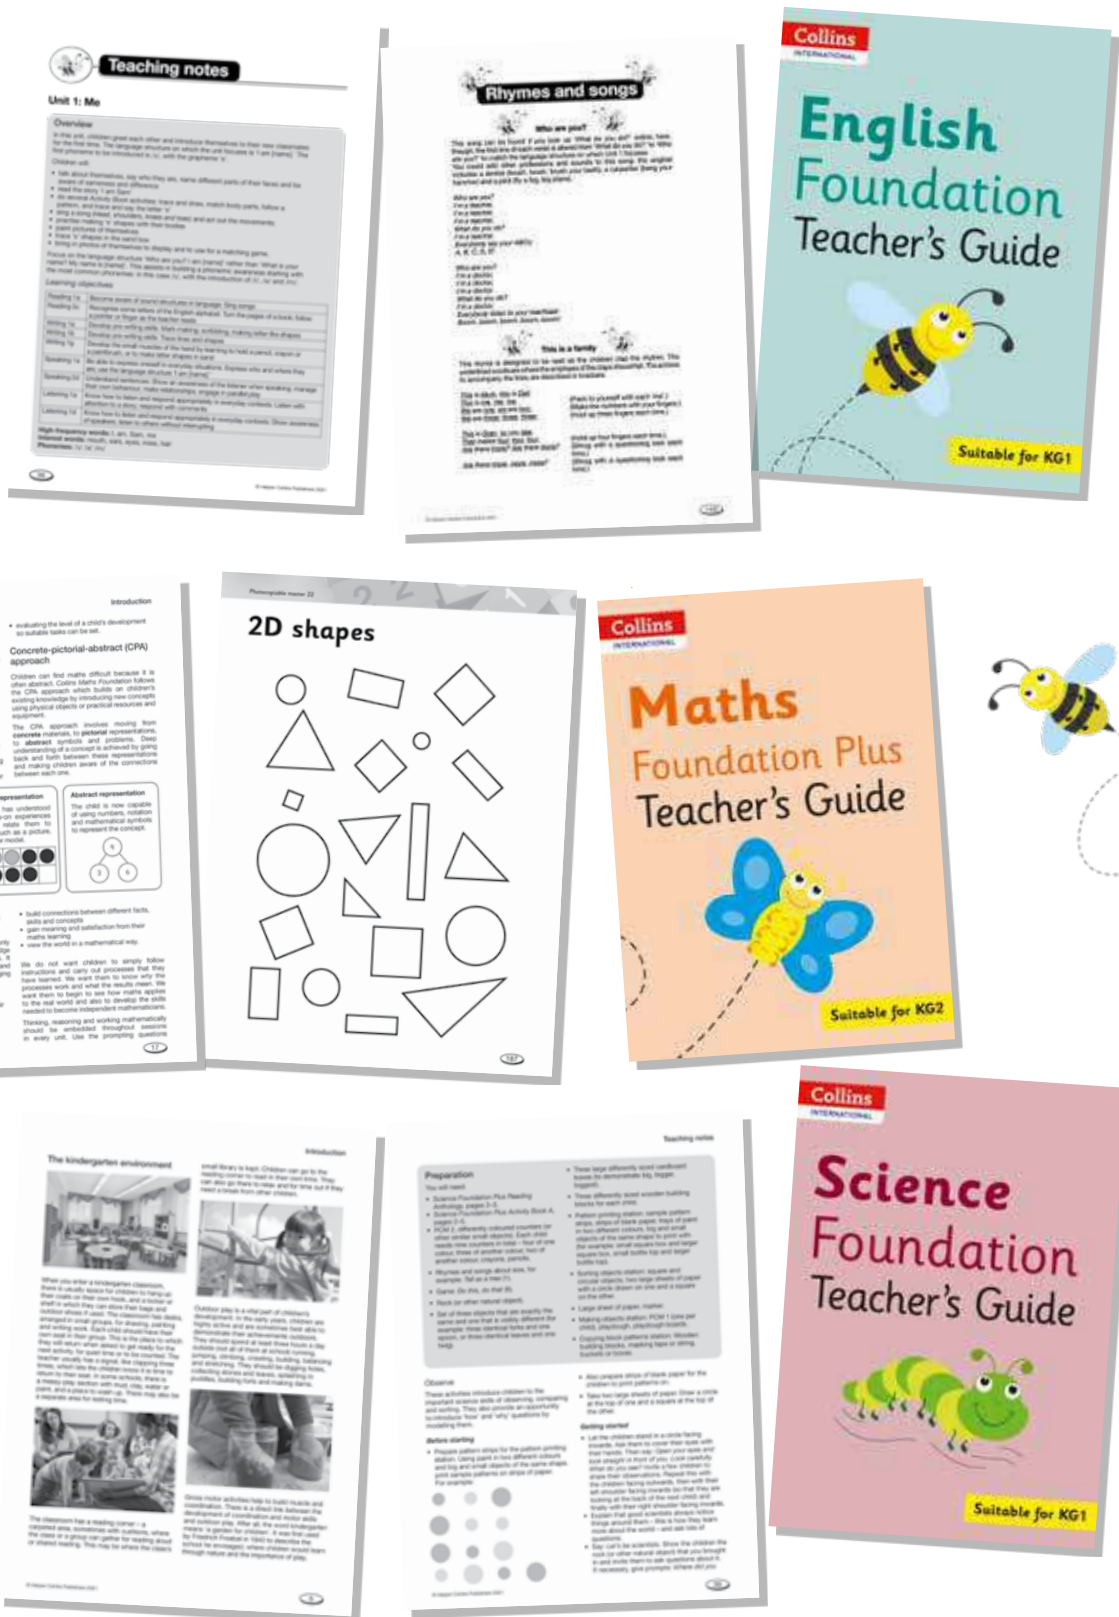

Brightly illustrated Reading Anthologies offer a carefully selected collection of colourful stimulus materials to help support the teaching of key concepts in English, maths and science as well as the development of early literacy skills.

The English course has a Reading Anthology for each term at each level. Maths and science each have a Reading Anthology per level.

Teacher's Guides

Teacher's Guides provide accessible support for teachers, including detailed guidance, ideas for English, maths and science in the early years classroom, assessment support, advice on resources, songs and games, and additional photocopiable activity sheets.

Busy Ant Maths

CONFIDENCE FROM THE START

Series Editor: Peter Clarke

The whole-school primary maths programme that ensures confidence from the start!

Written by teachers for teachers to support the Early Years Foundation Stage Framework, **Busy Ant Maths Foundation** is packed with exciting activities to help build and develop skills needed to be successful in maths at primary.

The Foundation level consists of an Activity Book, Homework Guide, Teacher's Guide and Collins Connect. A European edition is also available.

The **Activity Book** features lots of hands-on, highly visual activities with a low level of text to give pupils confidence in learning. In addition, it can be used as a 'recording book' to provide evidence of mastery of objectives or as a record of achievement.

The **Homework Guide** allows practice of the objectives covered in the daily lessons, and shared activities offer parents the chance to support their child's learning.

The **Teacher's Guide** suggests a Medium-Term Plan providing a recommended route through the content. A bank of flexible, dip-in resources enables teachers to cover all Maths aspects of the EYFS Framework. Each unit offers imaginative ideas for adult-led and child-led 'Explore and play' activities.

Collins Connect

Get full digital support with an adaptable online planning and record keeping tool. It is packed with animated songs, games and interactive tools to bring maths to life and make maths fun.

Series Editor: Jane Turner

Everything you need to get your teeth into science

Snap Science is a dynamic, comprehensive programme, packed with inspirational resources, designed to help you deliver outstanding science throughout your school.

Snap Science Foundation level provides a solid grounding into the introductory principles of science and prepares children through first-hand experience of the world around them.

The print Foundation Teaching Framework contains 24 flexible activity plans and should be used alongside the **Snap Science** Toolkit on Collins Connect.

BIOLOGY

What do worms do?
Who has stripes?
What is in an egg?
What am I made of?

CHEMISTRY

Who made this home?
Who lives here?
Which hat is best? (weather-dependent)
What melts?

PHYSICS

What is night?
What is in the sky?
What is the moon?
What makes it move?

OUR CHANGING WORLD

What is happening to the trees? (autumn)
What is happening to the trees? (spring)
What is happening to the trees? (summer)
What's the weather like today? (winter)

Each activity plan is accompanied by a slideshow of a short fictional story based on meaningful science, leading to a question that forms the basis of the activity. Downloadable resource sheets and photo banks are also available for each plan, saving you time and effort.

Assessment for learning is embedded throughout the Foundation year, building on the core strength of **Snap Science**.

Series Editor: Rebecca Adlard

The perfect start to a child's journey into learning English

Get the perfect start to learning English with this exciting new series of graded readers for young learners. This series of 200 illustrated readers encourages children to explore a range of fun and familiar themes across fiction and non-fiction, allowing them to develop their English vocabulary and key language skills.

Fifty of these readers are based around the lives of two loveable siblings Ivy and Mack. These stories follow their child-centred view of the world forming the heart of the **Peapod Readers** series.

Written by a creative team of authors and ELT Young Learner specialists whilst drawing on the expertise of the Collins COBUILD corpus, these readers are tailored to the needs and requirements of young learners of English.

All readers include:

- Before and after reading activities introducing key terms and aid retelling of the story
- Alignment with the Cambridge English Qualifications: Pre-A1 Starters and A1 Movers
- Downloadable audio and reading guides for extra support

For more information and a full list
of readers, visit collins.co.uk/PeapodReaders

Mack and Croc have got face paints.

Where does
the sun go
in winter?

This is Birta. She lives in Finland.
In parts of Finland, the winter is very long
and very **dark**.
There is snow on the ground and there is ice on
the lakes.

In December and most of January, the sun
never comes up. It's dark all day.

Pages from *Where does the sun go in winter?* - Level 5, Non-Fiction

Deliver creative and engaging literacy lessons

Treasure House Foundation is a topic-based literacy resource for early years. It consists of mini-storytelling projects that focus on a core text along with a bank of activities. All the reading and writing early years outcomes are covered within the topics.

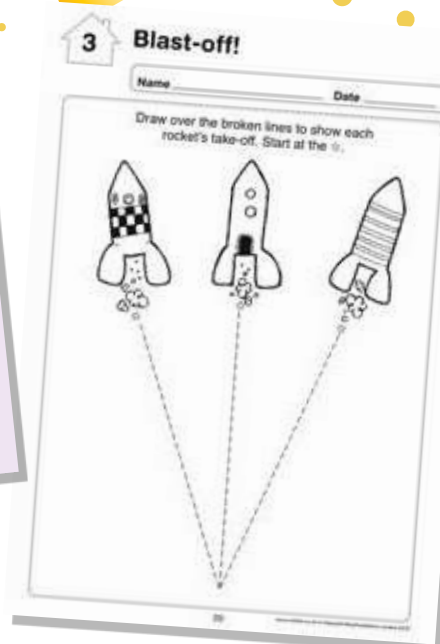

The bank of activities for each project is the vehicle for teaching speaking and listening skills, early reading skills (phonics), early writing skills and related reinforcement. There are lots of suggestions for incorporating more cross-curricular and creative activities within the topic.

The **Workbook** is phonics-based and linked to the reading and writing EYFS goals. It can be used for early writing practice as well as to support teacher judgement of completion of EYFS goals and outcomes.

The **Handwriting Resource Pack** introduces children to the fine motor movements and pencil control that will be necessary for the formation of letters and patterns. It provides practice in moving from left to right, keeping within 'tramlines' and making up-and-down and curved movements.

The **Teacher's Guide** provides a framework for an educational and creative literacy programme with a storytelling focus for EYFS planning and teaching. The guide contains 18 story-led or poem-led teaching sequences that interweave the main EYFS literacy areas of communication, reading, writing and phonics into interesting and fun activities for the children.

Collins Connect

Collins Connect is a comprehensive online learning platform that provides interactive supporting material for whole-class teaching.

Happy Handwriting

New

Series Editor: Dr Jane Medwell

A whole-school handwriting course that supports children in becoming confident, fluent writers

The 7-level course consists of practice books, teacher guides, printable posters and interactive whiteboard slides containing letter formation animations, providing a clear plan for frequent and discrete direct teaching.

The Foundation level Write-in **Practice Book** contains colourful and engaging activities that provide short, regular practice of letter formations.

The Foundation **Teacher's Guide** includes all the support teachers need to develop children's handwriting skills, from diagnostic activities and checking posture to varied practice activities and memory phrases.

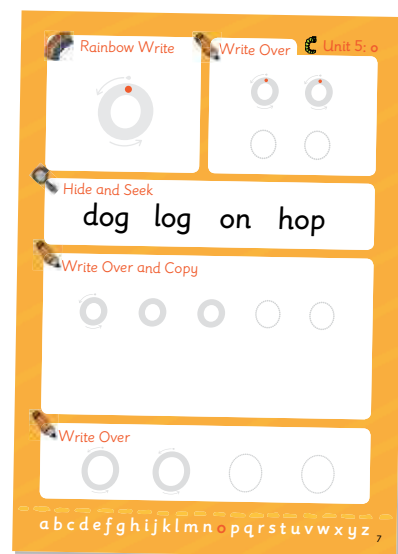

- Downloadable resource sheets and home practice sheets provide additional practice opportunities and maximise parental involvement
- Structured assessments help identify individual and group handwriting needs

A complete systematic synthetic phonics programme

Big Cat Phonics for Little Wandle Letters and Sounds Revised has been developed in collaboration with Wandle Learning Trust and Little Sutton Primary School. This complete SSP programme comprises classroom materials published by Collins Big Cat and a Little Wandle online resource package that together provide a consistent and highly effective approach to teaching phonics.

Little Wandle Letters and Sounds Revised provides an updated progression based on 'Letters and Sounds: Improving Rates of Progress 2021', published by the UK's Department for Education (DfE). It is aligned with the higher expectations of the 2014 National Curriculum, the Phonics Screening Check and the 2019 Ofsted Inspection Framework.

- DfE validated and **used in more than 4000 schools in the UK**
- Over 200 fiction and non-fiction books matched perfectly to the Little Wandle progression and support all the Letters and Sounds phases, now with blending practice and stretch and challenge readers
- Practical hands-on classroom resources to support with phonics teaching, including flashcards, grapheme charts, wall friezes and Keep-up Teacher's Guides
- New resources for Rapid catch-up and SEND support available
- Full teaching and assessment support available through a membership available direct from Little Wandle – go to littlewandlelettersandsounds.org.uk for full details

What to do - identifying children for daily individual support sessions

Use the Letters and Sounds assessments (every six weeks), as well as assessment within the daily lesson, to identify children who need either individual or group keep-up. Do not let children fall behind - take action as soon as possible. Use the assessment again after three weeks to check that these children have filled their gaps.

Collins Primary Music Early Years Foundation Stage

Authors: Sue Nicholls & Sally Hickman

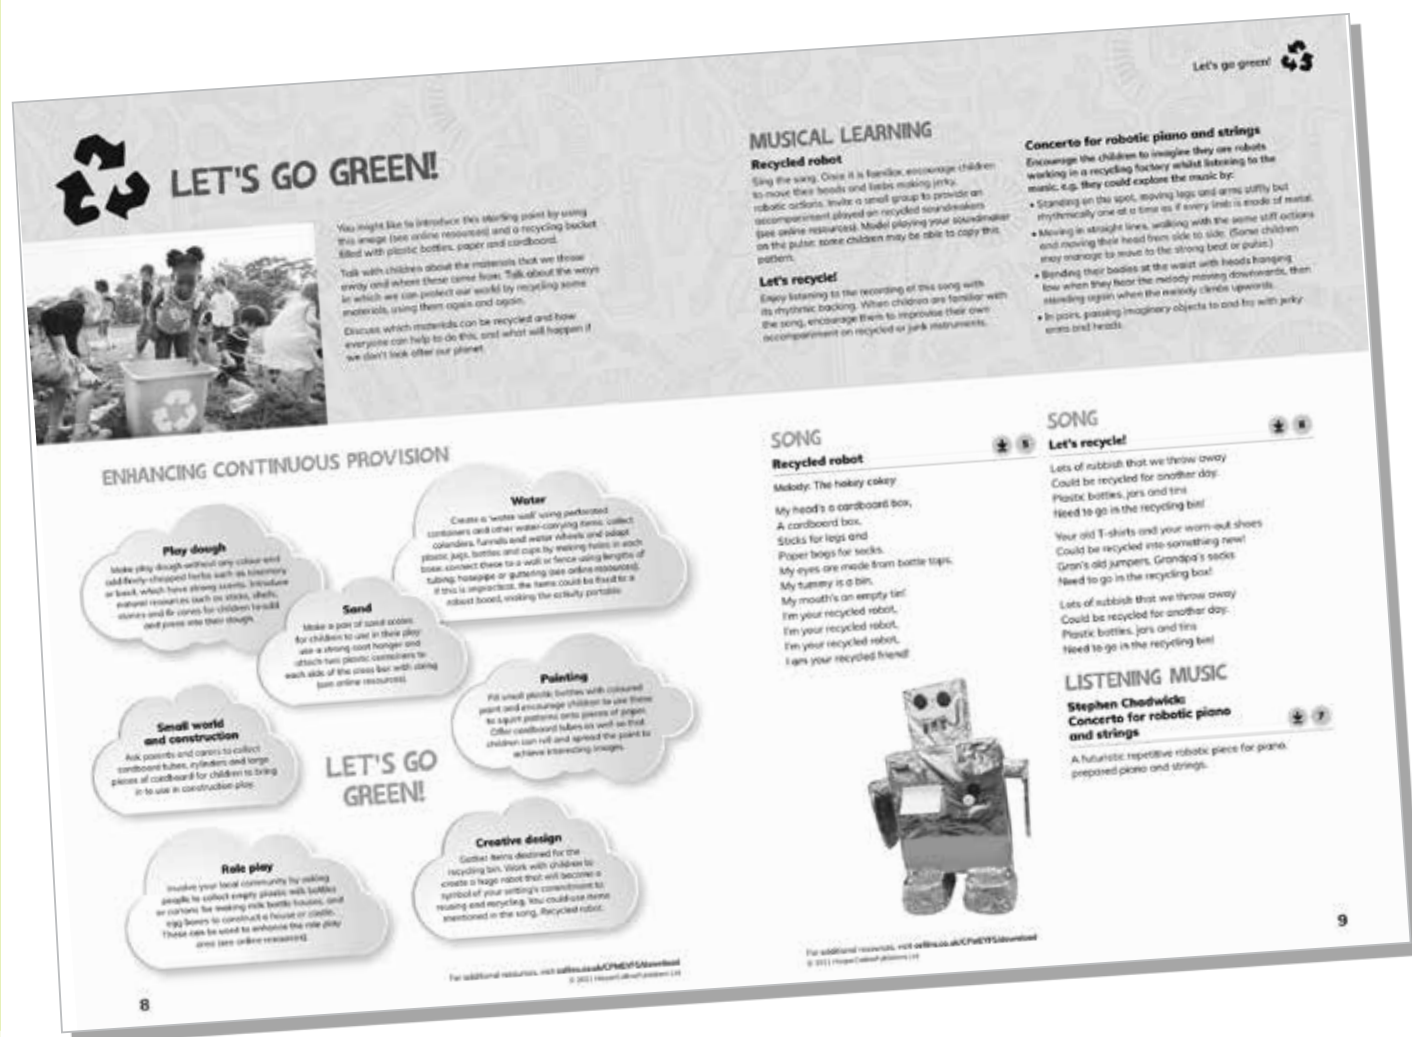

Child-centric, holistic and flexible resource which helps early years practitioners to deliver the 2021 reformed statutory framework – through music!

Collins Primary Music Early Years Foundation Stage presents 12 'starting points' stemming from children's interests with songs, chants, listening music, images, videos and stories to engage and inspire exploration.

Each starting point can be used in any order and provides ideas and activities for Enhancing Continuous Provision, Musical Learning, Home Learning and all Areas of Learning and Development.

There are traditional tunes with new lyrics relating to the themes covered as well as brand new songs, chants and music from around the world and across a range of traditions.

A wealth of additional support includes planning and assessment guidance, templates, imagery, vocabulary, background information and notation for music.

¡A volar!

An engaging and child-centred Spanish course that makes learning Spanish fun

Developed to meet the requirements of primary school curriculums, **¡A Volar!** introduces the Spanish language to children in a highly accessible format for beginners and young learners, with careful progression through the levels.

The Foundation Level, comprising a Pupil Book and Teacher's Guide, offers an early introduction to Spanish for complete beginners or for children who have not yet developed reading and writing skills.

Focusing on developing listening and speaking skills through songs and games, it introduces very young learners to the basic vocabulary and phrases helping children to learn actively and absorb Spanish naturally in a communicative way.

As well as the step-by-step lesson plans, the Foundation Level Teacher's Guide includes a wide range of photocopiable resources that can be used to reinforce or revise language at any point during the course. Some worksheets also provide an opportunity for pupils to start writing individual words thus developing their basic reading and writing skills.

¡A Volar! Foundation Teacher's Guide	eBook	978-0-00-841898-4

Collins First French and Spanish Dictionaries

Ideal first dictionaries to introduce children to their first 500 French and Spanish words

- Words are illustrated in an alphabetical layout
- Thematic pages on topics such as school, town, birthday and animals match the curriculum for young language learners
- Example sentences show use of words in context

Audio files for each headword and phrase can be found at collins.co.uk/homeworkhelp

Collins First School Dictionary

An ideal introduction to the world of words

The careful choice of vocabulary, clear definitions and simple examples, together with the beautifully designed illustrations help make learning easy, memorable and fun.

- The perfect dictionary for starting school
- Examples and illustrations given to clarify meaning
- Alphabet shown on every page
- Support for spelling, grammar and punctuation

Teacher Notes and Worksheets can be found at collins.co.uk/homeworkhelp

Collins First School Dictionary	eBook	978-0-00-843891-3

Collins Easy Learning Flashcards

Packed with colourful pictures and words, these educational flashcards are a fun and easy way to help children recognise letters, numbers and first words

Initial discussions

- Who do you think these people are?
- What do you think they are looking at? Why?
- What else can you see?
- What kind of shop is it?
- Have you ever looked at something through a shop window?

Storytelling

Emphasise that this is the beginning of the story and talk about how the story might begin. Discuss phrases like, *Once upon a time...*, *One day...* Encourage your child to say who the characters are (perhaps give them

names) and what they are doing. Support your child by developing a first sentence, such as:

One day, Sophie and her grandparents go to the toy shop.

Think about the other pictures in the set. How do they help to tell us what Sophie is looking at?

Provide a sentence starter such as, *Sophie wants...* to encourage a sentence like: *Sophie wants a ball.*

Adding more detail

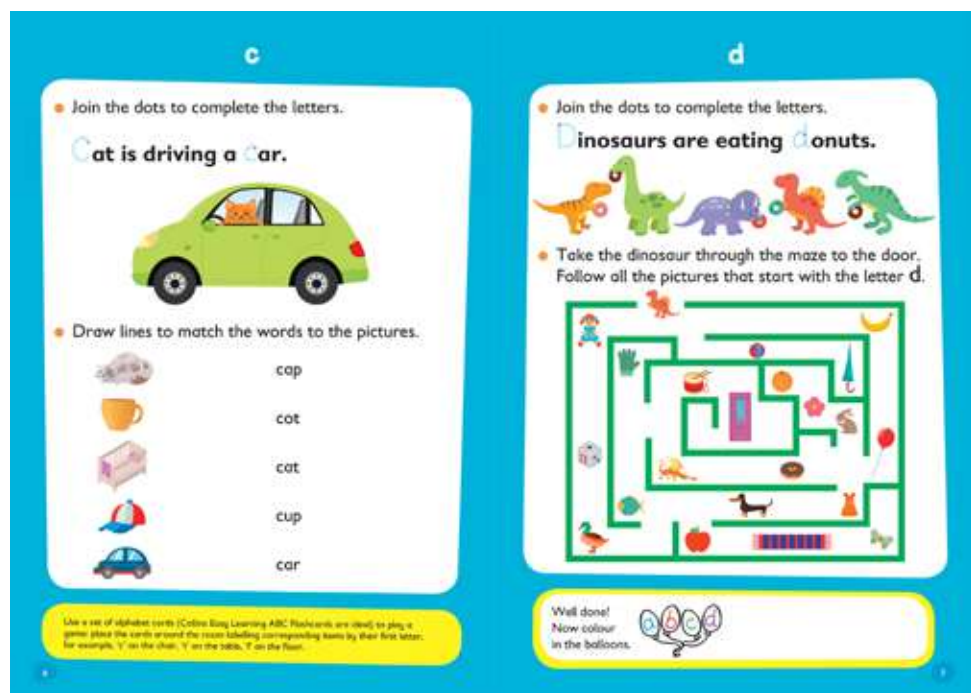

Encourage your child to describe the toy shop and the ball, e.g. *...an amazing toy shop. ...a big, red ball.*

Collins Easy Learning Bumper Books Ages 3-5

Combining practice with engaging, colourful illustrations, these bumper books help to boost children's confidence and support learning

Middle u sound

- Trace each word.
Circle the u sound in the word.

bus sun rug
mug nut bug

- Write the correct word under each picture.
Copy the words from above.

The Easy Learning abc, Phonics and First Words Flashcards are a great aid in learning to read. The words are simple and all phonetic. The alphabet cards can be used to make your own simple words to read.

16

CVC words

- Read each word.
Find the item in the picture and circle it.

hat

cat

van

bag

bin

fox

dog

bus

TERMS AND CONDITIONS

Sample Copies: We offer sample copies to schools who would like to review our titles for adoption. Our samples are free of charge, without postage charge and without a request to return them to us. We reserve the right not to send a sample copy if we believe it is not being reviewed for adoption. If you would like to request a sample copy please contact us at collins.international@harpercollins.co.uk

Prices: Prices are correct at the time of going to press. Collins reserve the right to change these prices without further notification. Offers are not available in conjunction with any other offer and while stocks last. Prices listed are without VAT. VAT is applicable to software and digital subscription products and is applied at the current rate. There is no VAT on books. Network licences allow you to use the resources across your school. Home use licences allow students and teachers to access the resources from home only.

Postage and Packing: Sample copies are supplied free of charge and without postage and packaging charges. Please contact us at collins.international@harpercollins.co.uk to find out about postage charges incurred on direct orders from your country.

If you would like to find out more about Collins Online Learning, or order the resources for your school, please contact your sales representative or email collins.international@harpercollins.co.uk
